

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

EDWARD B. SPENCER,

Plaintiff,

v.

D. LOPEZ,

Defendant.

Case No. 1:20-cv-01203-JLT-BAK (SKO) (PC)

**ORDER GRANTING DEFENDANTS'
MOTION TO MODIFY DISCOVERY AND
SCHEDULING ORDER**

(Doc. 38)

On October 22, 2021, the Court issued its Discovery and Scheduling Order in this matter. (Doc. 27.) As reflected therein, the Discovery Cut Off Date is March 22, 2022. (*Id.*) On March 7, 2022, Defendants filed a Motion to Modify the Discovery and Scheduling Order. (Doc. 38.) The time for Plaintiff to file an opposition or statement of non-opposition to Defendants' motion has not yet passed, see Local Rule 230(*l*); however, the Court finds neither necessary here. Upon review of Defendants' motion, including defense counsel's supporting declaration, the Court finds good cause to grant the request.

Accordingly, the Court ORDERS:

1. Defendants' motion to modify the discovery and scheduling order (Doc. 27) is
GRANTED;

//

1 2. The deadline for completing all discovery, including filing motions to compel, and
2 conducting depositions, is extended 14-days to April 5, 2022.

3 All other deadlines from the Court's original discovery and scheduling order (Doc. 27) remain in
4 effect.

5 IT IS SO ORDERED.

6
7 Dated: **March 9, 2022**
